Hi Whitney and Kathy, thanks so much for this and also for the meeting. I am including Natalia in this as well, we can check on info in ADP tracker and work with Antonio/Mindy to make sure the NS info is all in the right place before we forward over to OP. We have to wait for Dave to approve the NS before we do that. Christine

Hi Christine and Mike,

Thanks for meeting with us this morning. Please see attached for the NSD. We're working to getting this into CMS (with a routing memo for John so you can see we have OD approval) later this afternoon. As I mentioned, we have OGC staff sign-off. I'm also attaching the blank form that we received from Darryl Adams since you were curious about that. We are working with Mindy to get the milestones into the ADP tracker later today.

Please let me know if you need anything else or have any questions at this point!

Best,
Whitney

Hi, and one more thing: because of fast timing, can you send us a side copy now so we don't have to wait for Dave to sign off on it before we work with Antonio/Mindy to put the info into ADP tracker? Thanks.

Route it to OW-IO (not a specific person) in CMS per Janita

Thanks!
